Mysore

Respected Sir,

I most respectfully beg to state that I have been an Engineering scholar of the Mysore State prosecuting studies in the College of Science, Poona since 1892. In 1892 I passed the F C E in November 1893 and S C E in November 94. This year I appeared for L C E, the final Examination but failed to get through it for want of a few marks. In a few of my predecessors, I beg to add, have been granted scholarship for four years, and I have just completed three years in the College. I Earnestly pray that I may be the same consideration as they, and grant a scholarship for one year more so that I may study at Poona and complete my course without pecuniary difficulty.

For which act of His Grace
I shall ever pray

I beg to remain,
Respected Sir,
Your most obedient Servt
C Vijayarangam Naidu
